<b>ITEM TITLE</b>	At our 9/25 meeting, we decided to add earmarking \$2,000 of undesignated funds to be used to fund school buses for field trips to our agenda to bring to a vote.
<b>DISCUSSION NOTES</b>	An agenda item was brought to Mr. Mery that needed a determination as soon as possible as the need for bus transportation is upon the school. Mr. Mery sent a member-wide email detailing the agenda item. Mrs. Arvayo motioned to allow up to \$2,000 to bus transportation for field trips to pay the fees, followed by Mrs. McKechnie seconding it. All in Favor: 12. There were no questions or concerns.
<b>RESOLUTION</b>	
Site Council approved to allocate funds of up to \$2,000 to be used for paying the fees for bus transportation for field trips. All in favor-12, disapprove-0.	

**III.** An email was be sent to all Site Council members making them aware of determination outcome.
