VI. Discussion/information items

ITEM TITLE	Discussion of Trophies and Awards
DISCUSSION NOTES	Mrs. Meneguín discussed the need to brainstorm for added areas of the school to display awarded trophies. Space has been limited, and Dodge continues to win many trophies that cannot be displayed in this limited space. Council members discussed the area of the library, but determined it may not be fitting as it's not secured and may be taken. Area near Mr. Mills room was mentioned and discussed to cap the time of years on display to being 10. IT was also discussed by the Council to convert trophies into banner years, and display the banners inside of the school cafeteria. Mrs. Meneguín stated she may connect with local high schools to find out how they create their banners.
